

Sodexo believes that engaged employees are key to the success of your business.

We want to help you create an environment that inspires loyalty and increases staff morale. And we want you to look great.

Delivering value, innovation and expertise to your reward strategy

For a flexible benefits scheme to be successful, it must be simple – both for the employee to use and for you to manage. Cube is a bespoke online system that is secure, instant, workable and personally branded to your company's corporate identity.

The system allows you to build your flex benefits offering in stages, adding modules as and when you need them, so you're never paying for more than you need.

79%

of employers believe the main advantage of running a flexible benefits plan is that it recognises the diverse needs and values of the workforce*

Five reasons we recommend Cube

1 Significant cost savings
including reduced employer NI Contributions

2 Reduced benefit-spend waste
You only pay for the modules you need

3 Simpler recruitment and retention of key talent
and increased motivation and loyalty

4 Streamlined administration
Manage all your flex benefits online

5 Full support
Admin support, dedicated helpline and management reporting
